

BRIDGING GENERATIONS: WORKING EFFECTIVELY WITH GEN Z AND BEYOND

Generation Z is now a growing part of the workforce, bringing with them modern approaches, digital fluency, and a distinct work pattern. Their outlook, shaped by rapid technological change and global connectivity, can be both an asset and a challenge when working alongside different generations.

This program is designed to provide the tools to **reframe generational differences into a source of strength**. It explores what drives Gen Z, from their motivations and values to their preferred ways of working, and presents **ways to connect with them in a manner that fosters trust and cooperation**. Through practical strategies and real-world examples, it demonstrates how to bridge gaps, overcome stereotypes, and create a workplace where everyone contributes at their best.
